united by borders

Project examples

- **INTERREG IIIA Priority North (Estonia – Latvia – Russia)**
 - Promoting exchange of cultural heritage and educating teachers and students of Gaujiena and Alatskivi Art Schools
 - Establishment of cross-border cooperation network of disabled people

Where to start from?

- Define the problem you want to solve by the means of the Programme
- Think about the possible partners according to the requirements of the Programme
- Define the target group, involve it and base your project on their needs
- Have regular meetings with the partners, keep them informed and divide the responsibilities clearly
- Define the objectives, possible activities and time plan
